Supervision

This auction will be held under the supervision of F.J. Oranje, a civil law notary in The Hague, with the firm of Pels Rijcken & Droogleeve Fortuijn N.V.

Prolongation

If a bid is made in the last 5 minutes before the lot closes, the closing time of that lot will be extended by 5 minutes until no bids are made. All lots without any bid will stay open until half an hour after the last closing time bid.

Lots without bid

From all lots without a bid, the closing time is extended with 30 minutes after the last closing time for lots in that auction.

Allocation

Certain lots / combination lots may be offered "subject to allocation". This is noted in the bidding information for each affected lot. Where lots are offered "subject to allocation" the seller reserves the right to accept or reject the highest bid. The bidders will be notified within 48 hours of the auction closing.

ARTICLE 3. THE AUCTION

3.1 Troostwijk reserves the right to cancel an auction, to terminate an auction prior to the time stated on the website, or to extend an auction. If there is a technical malfunction of the website, due to which the website is not fully accessible and / or inaccessible for all users, Troostwijk is entitled to extend the auction by 24 hours.

3.2 By registering, the user states to be aware of and to agree to the special circumstances of an internet auction and with the technical imperfections that could occur in such an auction. Troostwijk hereby excludes all liability for any damage whatsoever, directly and / or indirectly, that occurred in any manner, including, but not limited to, damage resulting from the use of the website, unless caused by intent or intentional negligence of Troostwijk. Specifically, Troostwijk does not accept liability for any damage whatsoever, that occurs in any manner by and / or results from:

- Actions of the user that were allegedly suggested by information placed on the website;
- The impossibility to (fully) use the website and / or any malfunction of the website or of the underlying system;
- The noncompliance of the lots with the specifications stated on the website;
- The fact that the information on the website is untrue, incomplete or not current;
- Faults in the website's software and / or the underlying system;

ARTICLE 4. ORGANIZATION OF THE AUCTION

4.1 The organization, preparation, execution and completion of the auction is carried out by Troostwijk.

4.2 Troostwijk is entitled, before or during the auction, without stating reasons:

- Not to acknowledge a bid as such;
- To exclude one or more users from the auction;
- Combine items into lots, to divide lots and to withdraw lots from the auction;
- To correct errors of Troostwijk in auctions or allocations, without a user being able to use these errors and / or derive any rights from these errors;
- To take other measures that are required in Troostwijk's opinion.

4.3 Troostwijk is entitled, before and / or during the participation in certain auctions and / or bids on certain lots, to demand advance payment or any other form of security from the users, before proceeding to delivery or further delivery.

4.4 The client and / or Troostwijk are entitled to add lots from another offerer to an auction.

4.5 Troostwijk's judgment on what took place during the auction shall be binding.

ARTICLE 5. BIDS; PURCHASE AGREEMENT

5.1 The user can place a bid on the website for one or more lots. Each bid is unconditional, irrevocable, and without any reservation. Troostwijk and / or the seller are entitled to refuse bids without stating reasons. Bids shall take place excluding buyer's premium and VAT. Troostwijk and / or the seller are entitled to place bids.

5.2 If multiple users declare to place a bid or to have made a bid jointly, they shall be jointly and severally liable for the obligations arising therefrom.

5.3 Troostwijk determines whether, when a bid was placed, such an error was made that the person who placed the bid will not be held to it. Users cannot derive any rights from the decision.

5.4 If a lot is also submitted to an auction in combination with one or more other lots, this shall be stated on the individual page of the lot on the website. In that case, a bid can first be placed on the individual lots of the combination and after all separate lots have been closed, on the combined lot. Individual lots shall only be allocated if the total amount of the highest bids to be allocated for the individual lots is higher than the highest bid to be allocated for the combination. The combination shall only be allocated if the highest bid to be allocated for the combination is higher than the total amount of the highest bids to be allocated for the separate lots.

5.5 Bids can be placed in the form of a "static bid" or a "auto bid". In a static bid, the user places a bid in the form of a fixed amount for each lot. In an automatic bid, the user states which maximum price he is willing to pay for a lot. The auction system ensures that, after an overbid by a third party, the minimally higher bid is immediately placed on behalf of the user, as long as the maximum amount indicated by the user is not exceeded. The user can only cancel an automatic bid in the interim by placing a static bid that is the highest bid at that time.

5.6 The purchase agreement is created by allocation. Allocation is usually to the user who placed the highest bid. By applying the stipulations in article 5.1, pursuant to the award conditions in the Specific Auction Terms and Conditions or for other reasons, to the discretion of Troostwijk, the lot can instead be allocated to another user than the user who placed the highest bid to be allocated.

5.7 Within 48 hours after the auction has been closed (not counting Saturdays, Sundays and national holidays), the purchaser is informed by e-mail,

on behalf of the seller(s), that the purchase agreement has been concluded. If the user does not receive an e-mail within this term, this means that his bid has not been allocated. Troostwijk is entitled not to allocate or to allocated under suspensive conditions / a suspensive condition.

5.8 Troostwijk is not a party to the purchase agreement, but only brokers in creating purchase agreements. If there is a forced sale, this shall be stated in the Specific Auction Terms and Conditions or on the auction page on the website.

5.9 If the receiver is the seller, article 7:19 of the Civil Code of The Netherlands shall apply.

5.10 If the auction takes place "before a civil-law notary or a court bailiff", this official shall supervise the auction and the bids and allocations in the auction.

5.11 If it concerns a non-public auction, the Buyer who is a private individual not acting as a professional or business man has the right to terminate the agreement without giving any reason within 14 days from the date the purchases have come into his possession To exercise this right of withdrawal Troostwijk must be informed of the decision in order to terminate the agreement by receiving a written declaration by the buyer.

5.12 If the buyer applies for the right of withdrawal, Troostwijk will charge the buyer an amount of € 25 administration fee for each returned lot. The buyer also bears all costs associated with the returning the goods purchases.

ARTICLE 6. GUARANTEES, CLAIMS AND INDEMNIFICATIONS

6.1 Troostwijk and / or the seller shall grant no guarantees whatsoever concerning the lots and any claims by third parties. The purchaser waives all rights that do not vest in the purchaser under mandatory law.

6.2 Troostwijk and the seller shall make their best effort to attain the best completeness, correctness and clarity as possible of the description and photographs of a lot on the website, other auction brochures, advertisements and suchlike, without any liability for damage resulting from incorrect or incomplete descriptions, or without accepting other damage.

6.3 Any mains, cables or other connections, for the energy, controls or production on / in a lot, unless specifically stated otherwise in the Specific Auction Terms and Conditions, shall only be sold to the first circuit breaker, fitting or, alternatively, the identifying mark provided. Underground or built-in connections shall never form part of the lot, unless specifically stated otherwise in the Specific Auction Terms and Conditions.

This is considered the purchase. The purchaser is obliged to pick up the lot(s) no later than the date stated in the Specific Auction Terms and Conditions. Troostwijk can determine that a certain lot/certain lots can only be picked up after the purchase of other lots.

10.2 The purchaser himself is responsible for the correct and timely purchase of the purchased items. Troostwijk is responsible for the organization and coordination of the time of purchase of the items sold by the client.

After said period of one month, or after the shorter period communicated by Troostwijk, it is assumed that the purchaser has waived the ownership rights to the items and Troostwijk will be authorized to dispose of the items again. This article applies without prejudice to the right of Troostwijk to demand performance of the agreement at all times and, in compliance with Article 12.2. to claim full compensation in the event that the purchaser is in default by operation of law due to a failure to fulfil any obligation arising from the purchase agreement.

10.4 The purchaser is responsible to ensure that all requirements, of whatever nature, concerning the exportation of items in a EU country or other country have been complied with. This means, among others, that the purchaser has to comply with the legislation and regulations of the country concerned for the payment of taxes and charges and the required documents, and if necessary, that he obtains the required permission. If the items are to be transported, the client, respectively the purchaser, shall be recorded on the underlying transport or customs documents as sender, respectively recipient, of the items, not Troostwijk.

10.5 The transfer of ownership and with that the owner's risk occurs at the allocation. The purchase, or, as the case may be, the transfer shall take place under the resolutive condition that the full purchase price and any other amounts possibly owed by the purchaser, have been paid by the purchaser and – in case of the sale of one or more items by order of a trustee – under the resolutive condition that the consent of the Supervisory Judge has been obtained for concluding the purchase agreement.

10.6 If it is necessary to disassemble the purchased items for the purchase, the purchaser shall do so, to his own account and risk, in an expert manner. The purchaser is only entitled to disassemble items not connected to items purchased by the purchaser after obtaining explicit permission in writing from Troostwijk and / or the seller. The purchaser is liable for damage caused during or in the scope of the purchase and shall indemnify Troostwijk and / or the seller for claims of third parties in connection hereto.

10.7 The purchaser shall require the explicit permission from Troostwijk and / or the seller to use his own fork-lift truck to move and / or load the lot. The purchaser is aware of the relevant legislation and regulations such as the Machinery Decree, the Health and Safety legislation and the NEN-EN standards and has a valid liability insurance for the fork-lift truck. The purchaser is at all times responsible and liable for safe use of the fork-lift truck at the auction location.

10.8 If it becomes apparent that a lot cannot be delivered due to claims of third parties or due the fact that the purchase could cause unacceptable

damage to the buildings or the premises, in or to which the lot is located, respectively be otherwise extremely onerous, Troostwijk is entitled to terminate the purchase agreement. This termination shall take place by e-mail and / or registered mail to the purchaser to the address stated by the purchaser, after which Troostwijk and / or the seller is/are only obliged to reimburse the purchaser for the amount already paid by the purchaser for the amounts already paid for the purchase of the lot(s).

10.9 The purchaser whose lot(s) obstructs/obstruct picking-up other lots, is obliged, immediately after having been notified thereof by Troostwijk by e-mail and / or notice at the address stated by the purchaser, to ensure that this lot/these lots are picked up. If he fails to do so, Troostwijk is entitled to have this pick-up and possible storage effected by third parties, to the account and risk of the purchaser.

10.10 Troostwijk is not responsible for the removal / disposal of waste. The Buyer is responsible for this, except in case that Troostwijk has been explicitly requested to undertake this work at buyer's expense.

10.11 Troostwijk will inform the buyer about the presence of waste as soon as Troostwijk is aware of it during the execution of the agreement.

ARTICLE 11. PERSONAL / BUSINESS DETAILS OF THE SELLER / THIRD PARTY

11.1 The seller and the purchaser agree that the personal and / or business details of the seller or a third party that may be present on or in a lot explicitly do not form part of the purchase agreement. The purchaser is obliged, if and to the extent that personal and / or business details are present in a lot after an auction, to inform Troostwijk accordingly forthwith, and in an occurring case to provide his unconditional cooperation, at first request, to submit to the seller these personal and / or business details, respectively destroy these details. Except under the aforementioned obligation, the purchaser shall hold these details confidential and the purchaser shall not be allowed to use (or have used) these details, to provide (or have provided) these details to third parties, or grant third parties access to these details.

- nonpayment, respectively failure to pay on time, of the purchase price;
- failure to pick up the lot(s) in time, and / or;
- failure to provide the information or documents required for the purchase;

the purchaser is in default by operation of law and the seller is authorized to terminate the agreement with the purchaser by giving written notice, without being liable to pay any compensation (for damages) to the purchaser and/or to sell the purchased goods to one or more third parties immediately without prejudice to the right of Troostwijk and/or the seller to claim (additional) damages. The above also applies if, after the conclusion of the purchase agreement, Troostwijk or the seller becomes aware of circumstances which give the seller and/or Troostwijk good reasons to fear that the purchaser will not fulfil its obligations, in the event of bankruptcy or suspension of payment of the purchaser, if Troostwijk has asked the purchaser to provide security for the fulfilment and this security is not provided or is insufficient, or if the purchaser is otherwise in default and fails to fulfil its obligations under the purchase agreement. The purchaser shall pay compensation for any and all damage caused by its failure, incurred by both Troostwijk and the seller, to Troostwijk. In the event of dissolution as referred to in this article 12.1, the purchaser will not acquire a right to the premium, insofar as it has already been paid to Troostwijk by the purchaser.

12.2 If circumstances arise with regard to people and / or materials used by Troostwijk or which Troostwijk is in the habit of using in the performance of the purchase agreement, which are of such nature that the performance of the purchase agreement becomes impossible or so cumbersome and/or disproportionately costly, that it would no longer be reasonable to demand performance of the purchase agreement, Troostwijk is entitled to dissolve the purchase agreement without any obligation to pay compensation (for damages) to the purchaser.

12.3 After the title to the purchased items has passed to the purchaser, the purchaser can no longer claim dissolution or annulment of the purchase agreement. If a third party is interested in the careful removal of all or part of the item and this removal would, in the opinion of Troostwijk, jeopardize or permanently damage the building and / or for any other reason, the seller and Troostwijk will be authorized to dissolve the purchase agreement on behalf of the seller, without being required to pay any compensation, by means of a written statement to the purchaser. In such a case, Troostwijk and the seller shall only be required to refund the purchase price received by Troostwijk and, insofar as an invoice has been sent by Troostwijk to the purchaser for the item(s) concerned, to credit the invoice by sending a credit note.

12.4 If, prior to delivery and / or purchase, circumstances occur which render the delivery or purchase of the item impossible due to force majeure on the part of the seller or Troostwijk, for example due to fire, theft or natural force damage, the seller and Troostwijk will be authorized to dissolve the agreement without being required to pay compensation, by means of a written notice to the purchaser. In such a case, Troostwijk and the seller shall only be required to refund the purchase price received by Troostwijk and, insofar as an invoice has been sent by Troostwijk to the purchaser for the item(s) concerned, credit the invoice by sending a credit note.

12.5 In the event of termination referred to in Article 12.1, the defaulting purchaser is required to pay a flat rate of 25% of the purchase price to cover administrative, storage, insurance and transport costs, etc., subject to the right of Troostwijk and / or seller to claim full compensation.

ARTICLE 13. LIABILITY

13.1 Troostwijk's liability that remains after application of the other stipulations in these General Auction Terms and Conditions, the General User Terms and Conditions and (if applicable) the Specific Auction Terms and Conditions, shall always be limited to the amount that can be claimed from Troostwijk's liability insurance. The purchaser states to be aware that possible rights of (intellectual property of) third parties can be vested in third parties.

13.4 Without prejudice to the provisions in article 6:89 of the Civil Code of The Netherlands, each claim right of the purchaser on Troostwijk and / or the seller shall cease to have effect after expiry of 2 weeks after the items have been delivered or made available to the purchaser under the agreement, unless the purchaser has instituted proceedings at the competent court within this term.

13.5 Troostwijk and / or the seller do not indemnify the purchaser for visible or hidden defects, nor grant any guarantee in connection to the completeness, required documentation, numbers, performance, saleability, the purpose for which the purchaser has purchased the items, the existence or non-existence of rights of or claims by third parties and / or the possibility to transfer items to third parties. Any defects of whatever nature, disappointed expectations of the purchaser and / or acquiring third parties give no right whatsoever to (damage) compensation and / or compliance to the purchaser or other third parties. If there is nonconformity as referred to in article 7:17 paragraph 2 and / or 3 of the Civil Code of The Netherlands, the exclusion of liability in this article 13.5 to the extent that this applies to the seller, shall not apply if there is a purchase agreement concluded with a Consumer, unless there is force majeure from the seller and / or if the purchaser does not submit a complaint in a timely manner, all of this provided that article 7:19 of the Civil Code of The Netherlands applies.

13.6 Troostwijk and / or the seller are not liable for damage and consequential damage – personal injury or damage to another item than the purchased item (article 6:190 of the Civil Code of The Netherlands) – if the nonconformity is a defect in the meaning of the product liability scheme in article 6:185 et seq. of the Civil Code of The Netherlands. If there is a purchase agreement concluded with a Consumer, the exclusion of liability in this article 13.6 shall not apply towards the seller who produced these items if (i) the seller knew or should have known the defect, (ii) the seller acknowledged the lack of the defect, or (iii) this concerns material damage for which, under Section 3 Title 3 of Book 6, there is no right to compensation based in the franchise stipulated in that section, without prejudice to his defense pursuant to Sections 9 and 10 Title 1 of Book 6.

13.7 Without prejudice to the other stipulations in this article 13, the liability of Troostwijk and the seller shall apply to the following:

If the purchaser fails to do so, the consequences thereof shall be to the account of the purchaser;

13.8 The liability restrictions in these Terms and Conditions of Troostwijk, respectively the seller, shall not apply if the damage can be attributed to intent or gross negligence by Troostwijk, respectively the seller, or their managers and / or employees, respectively the auxiliary staff employed by Troostwijk, respectively the seller.

13.9 The purchaser hereby waives his rights under Title 1 of Book 7 of the Civil Code of The Netherlands, to the extent that these conditions can be legally deviated from.
