Each client will be informed latest 2 work days after the end of the online auction whether his bid is accepted or not. During these days all bids are binding. If a lot is sold under reserve or if you should not have met the minimum/reserve price yet, this is mentioned below the starting bid.

2.1 Troostwijk auctions take place on the website of Troostwijk Veilingen B.V., which provides the platform for auctions. The user shall use the website in accordance with the *General User Conditions* of Troostwijk Veilingen B.V.

2.2 The General Terms and Conditions of Online Auctions contain the general regulations for the auction. The auction takes place exclusively on the basis of these conditions. Participation in the auctions constitutes acceptance of these conditions. Special Terms and Conditions of an Online Auction may also apply to an auction. These contain additions or variations to the General Terms and Conditions of Online Auctions. In case of

www.TroostwijkAuctions.com

doubt, the Special Terms and Conditions of the Online Auction take precedence. These General Terms and Conditions solely apply to Online Auctions and not to sales outside of the Online Auction. You can find the General Terms and Conditions for Post Auction Sales, Private Treaty Sales and Tender Sales on page 5.

2.3 Troostwijk can make changes to these General Terms and Conditions. Changes take effect upon receipt of respective notification by the user and bidder.

Article 3. Registration

3.1 Bidders who are registered users with Troostwijk Veilingen B.V. and who have accepted its *General User Conditions* can take part in auctions.

3.2 A bid can be made by anyone who has accepted the *General Terms and Conditions of Online Auctions* and the *Special Terms and Conditions of an Online Auction* for an auction.

Article 4. Auction

4.1 Auctions are held on behalf of and for the account of the *seller*. *Troostwijk* is not a contracting party to any purchase contract which comes into being upon acceptance of the bid; it only brokers the purchase contract.

4.2 Dates, such as the start and the end of an auction, are contained in the Special Terms and Conditions of an Online Auction.

4.3 *Troostwijk* is responsible for organising, preparing and holding the auction.

4.4 *Troostwijk* may choose:

- not to accept a *bid* generally or – for important cause – from certain *bidders*;
- to exclude *bidders* from an auction;
- to correct errors made by *Troostwijk* in bids and/or *accepted bids* with appropriate notification to the *bidder*;
- to take any other measures required;

4.5 *Troostwijk's* decision as regards what happens during the auction is binding.

4.6 Forced sales are marked as such in the Special Terms and Conditions of the Online Auction.

Article 5. Cancellation, technical faults

5.1 *Troostwijk* reserves the right to cancel, prematurely end or extend an auction **for important cause**. In the event of a technical fault to the *website* which results in it being not fully accessible and/or not accessible to all *users*, *Troostwijk* can extend the auction by up to 24 hours. *Troostwijk* can reject bids without stating the reasons.

5.2 By registering, the *user* declares that he is aware of the special circumstances of an internet auction. In particular he is aware that the current state of technology can result in faults and downtime, which can make access to the internet auction and the *website* difficult or impossible.

5.3 *Troostwijk* is only responsible for properly conducting the auction on the www.TroostwijkAuctions.com website, not for any technical faults. *Troostwijk's* liability is limited and is based on the General Provisions, as set out in Article 15.

Article 6. Viewing days; entering buildings & property

6.1 Any viewing dates are specified in the *Special Terms and Conditions of the Online Auction*.

6.2 Viewers enter buildings and property at their own risk. Viewers must follow the instructions issued by *Troostwijk* or its appointees. The seller accepts no liability whatsoever for damages resulting from entering the buildings and property. In addition, the liability limitations of the General Provisions for *Troostwijk* and the seller, as set out in Article 15, apply.

Article 7. Lots

7.1 Individual *lots* or *combinations* are auctioned.

7.2 *Combinations*, i.e. the auctioning of several *lots* together, are displayed in the system. *Combination lots* are auctioned in two stages:

a) Firstly the individual *lots* are auctioned. The *bid is accepted* under the condition precedent that the *lot* is not knocked down as part of a *combination lot*. Once the *bids* for the individual *lots* have been *accepted*, bids can be made on the combination. If no bids are made on the combination, the sale of the individual *lots* goes ahead.

b) If bids are made on the combination, the following applies: The *bid is accepted* for the combination if the highest bid is higher than the total bids resp. the start prices for the individual *lots*. The *bids* for the individual *lots* are then declined because the condition has not been fulfilled.

7.3 *Troostwijk* can combine various items to form *lots*, divide lots and remove lots from the auction.

7.4 *Troostwijk* can demand that a *bidder* provides standard banking security in advance for certain lots.

Article 8. Bids

8.1 A *bidder* can bid in auctions as soon as he has registered on the *Troostwijk* website and has activated his account by clicking the link in the email that he received after registration. *Bidders* can bid on one or more lots. Bids can only be made without conditions and reservations attached. Bids are binding, revocation is not possible. The bidder shall receive email confirmation of every bid made and every higher bid by a third party. This notification is not acceptance of the bid.

8.2 Bids can be made as firm bids or maximum bids.

a) In the case of a firm bid (static), the user offers a fixed amount for each lot which is displayed in the system.

b) In the case of a maximum bid (proxy), the user states the maximum price he is prepared to pay for a lot. The maximum bid is not shown in the system. If a third party outbids the user, the current bid is increased in increments until a third party outbids the maximum bid. A maximum bid can only be retracted by the user in the interim if he makes a firm bid which is the highest bid at that moment.

8.3 Bids do not yet include sales tax and the commission. The amount of the commission can be found in the *Special Terms and Conditions of the Online Auction*.

8.4 *Troostwijk* and/or the seller can reject bids without stating the reasons. *Troostwijk* can bid on behalf of third parties.

Article 9. Acceptance of bid & purchase contract

9.1 A purchase contract for one or more lots only comes into being when the bid has been accepted. The *buyer* is informed by email of the resulting purchase contract (acceptance of bid). A *bid is accepted* within two working days of the close of the auction at the latest.

9.2 Consumers have no right of revocation as per § 312 d BGB [*German Civil Code*], as the purchase contract comes into being in the context of an auction as per § 156 BGB [*German Civil Code*] (§ 312 d Para. 5 No. 5 BGB [*German Civil Code*]).

9.3 *Troostwijk* is entitled not to *accept a bid* or to accept a bid under conditions precedent.

9.4 As a general rule, the *user* with the highest bid is *awarded the bid*. The *bid is accepted* if no further bids are made 10 minutes before the end of the auction. Otherwise the closing time for this lot is postponed for further 5 minutes. If another bid is made, the auction ends when the highest bid is made, if this is not outbid within five minutes.

Article 10. Passage of risk / passage of title

10.1 When a bid is accepted, the risk of accidental perishing or loss of the auctioned goods and the risk of loss or damage through fire, theft or burglary passes to the successful bidder.

10.2 Ownership only passes to the buyer on full payment.

Article 11. Obligations of the buyer

11.1 When a bid is accepted, the buyer is obliged to pay the purchase price plus statutory sales tax and the commission and to collect the *lot*.

11.2 Payment must be made to the account specified by *Troostwijk* in the stipulated currency within 48 hours (2 working days) of acceptance of the bid.

11.3 Statutory default interest shall be charged if payment is delayed. The rights of the seller are based on the statutory provisions. As it is a fixed date transaction, no notice is required for default, § 286 II BGB [German Civil Code].

11.4 If the buyer fails to fulfil an obligation, in particular:

(i) does not pay the purchase price on time or in full

(ii) does not collect the *lots* on time, and/or

(iii) does not provide the information required for delivery, this shall automatically constitute default without further notice of default being required. *Troostwijk* can then cancel the purchase contract on behalf of the seller. In such cases, *Troostwijk* can assign *lots* to another *bidder*, without *Troostwijk* and/or the seller being liable for damages.

11.5 In the event of a cancellation, the buyer is liable to pay compensation for any resulting damages.

Article 12. Collection

12.1 The buyer may only and must collect the goods at the times specified in the *Special Terms and Conditions of the Online Auction*. *Troostwijk* can, for technical reasons, specify that a certain *lot* can only be collected once other *lots* have been delivered.

12.2 The *buyer*, whose *lot(s)* is/are preventing the collection of other *lots*, must ensure that said *lots* are collected immediately following an email and/or a letter from *Troostwijk* to the address specified by the buyer. If this does not happen, *Troostwijk* can arrange for the *lot(s)* to be collected and possibly stored by a third party at the expense and risk of the buyer.

12.3 The *buyer* is obliged to carefully dismantle and collect his *lots*. He shall be liable for any damages caused to the property of others in this respect. Further, he is obliged to protect *Troostwijk* and the seller from all claims by third parties arising from the dismantling and/or collection.

12.4 The *buyer* is obliged to follow the instructions of *Troostwijk* and/or *Troostwijk's* appointees when dismantling and collecting his *lots*.

12.5 The *buyer* must ensure that he or the person dismantling or transporting the *lots* on his behalf has the required permits. *Troostwijk* and/or the seller cannot be held liable if the required permits are missing and/or official regulations are not observed when the *lot(s)* are being dismantled and/or transported by or for the buyer.

12.6 In situations where it is necessary to pull down (parts) of a building to remove the allocated *lots*, prior consultation and written consent must be sought from *Troostwijk* and the conditions imposed by *Troostwijk* at the time of bid acceptance must be observed.

12.7 *Troostwijk* reserves the right to make the collection of *lots* conditional upon payment of a deposit for any damages. *Troostwijk* shall notify the buyer of the *lots* concerned and the amount of the deposit. The deposit shall be reimbursed to the buyer following damage-free collection.

12.8 *Troostwijk* reserves the right that the dismantling of the buyer's goods has to be done compulsorily by a specific company. In such case, *Troostwijk* will announce this in the auction catalogue. The buyer has to bear the cost of such services. In some cases, the cost will be specified in the auction catalogue.

Article 13. Liability / Troostwijk warranty

Troostwijk only accepts liability for preparing and holding the auction in accordance with the legal regulations.

The following also applies:

13.1 Claims by the *seller* as well as by the *bidder* or the *buyer* on the grounds of breach of duty are excluded, in particular as regards advice in valuation matters or defects in the items.

13.2 The descriptions of the items by *Troostwijk*, e.g. in the sales catalogue or in a list, are based on information from the seller. *Troostwijk* is only liable for conveying the information appropriately, not for the objective accuracy of this information.

13.3 Information provided by *Troostwijk* serves only to help differentiate between products and in no way constitutes a warranty as per § 444 BGB [German Civil Code] or a quality agreement as per § 434 Para. 1 Clause 1 BGB [German Civil Code] for the items on sale.

13.4 The items are used. *Troostwijk* does not sell on its own behalf and thus accepts no warranty for material defects or defects of title and is not liable for the quantity, quality, dimensions, years of construction or completeness.

13.5 The above limitations do not apply if *Troostwijk* acts with deliberate or gross negligence, breaches a fundamental contractual obligation or Liability on account of culpable injury to life, limb or health.

Article 14. Liability / seller warranty

The seller is liable towards the buyer for defects in the items in accordance with the following provisions:

14.1 The *buyer* has had the opportunity to view the items in advance. The items are sold as seen and to the exclusion of any warranty for material defects and defects of title. The items were sold in particular without any guarantee for visible or hidden defects or warranty in respect of completeness, quantity, effect, usability, saleability, the existence or absence of rights or claims by third parties and/or the transfer option to third parties.

14.2 The *seller* accepts no liability for a certain quality or a normal use of the items.

14.3 The *seller* accepts no liability for advertising messages by the manufacturer.

14.4 The above limitations do not apply if the seller acts with deliberate or gross negligence, breaches a fundamental contractual obligation, Liability on account of culpable injury to life, limb or health or mandatory liability according to the German Product Liability Act.

14.5 The legal regulations on warranty rights for consumers as per BGB [*German Civil Code*] apply. The limitation period is shortened to one year.

Article 15. Limitation of liability of Troostwijk / seller

15.1 The limitation of liability applies to Troostwijk and the seller, as well as their legal representatives, managerial employees and any vicarious agents.

15.2 Liability is only accepted in the case of intent or gross negligence.

15.3 Liability for consequential damages, in particular lost profit, is only accepted in the case of intent or gross negligence.

15.4 Liability is limited to the amount of damages typically foreseeable when the contract is concluded, provided there is no intent or gross negligence.

15.5 The above limitations do not apply if a legally fundamental obligation is breached, if an express warranty is accepted or for damages arising from physical injury, harm to health and binding legal regulations.

Article 16. Severability clause / written form

16.1 Should any of the provisions of this agreement be or become wholly or partly ineffective, null and void or unenforceable, this shall not affect the validity of the other provisions of the contract as a whole. The ineffective, null and void or unenforceable provision shall be replaced by the effective and enforceable provision which corresponds most closely to the parties' economic objectives originally intended by the ineffective, null and void or unenforceable provision.

16.2 Amendments to and variations of these *General Terms and Conditions of Online Auctions* are only valid on the basis of written agreement between the parties.

Article 17. Applicable law / place of jurisdiction

17.1 This contract and the resulting obligations are subject to German law. The UN Convention on Contracts for the International Sale of Goods shall not apply.

17.2 All disputes arising in respect of the legal relations with Troostwijk fall under the exclusive jurisdiction of the Cologne local or district court. The General Provisions apply to disputes with the seller.

This time period commences at the latest when the invoice is received, including in electronic format. Payment is to be made exclusively to the named account.

2.2 If payment is not made on time - the time of receipt is decisive - Troostwijk is entitled and empowered to withdraw from the contract in order to ensure the on-time removal of the object sold from the respective location.
