4.5 Troostwijk's judgment on what took place during the auction shall be binding.

ARTICLE 5. BIDS; PURCHASE AGREEMENT

5.1 The user can place a bid on the website for one or more lots. Each bid is unconditional, irrevocable, and without any reservation. Troostwijk and / or the seller are entitled to refuse bids without stating reasons. Bids shall take place excluding buyer's premium and VAT. Troostwijk and / or the seller are entitled to place bids.

5.3 If a lot is also submitted to an auction in combination with one or more other lots, this shall be stated on the individual page of the lot on the website. In that case, a bid can first be placed on the individual lots of the combination and after all separate lots have been closed, on the combined lot. Individual lots shall only be allocated if the total amount of the highest bids to be allocated for the individual lots is higher than the highest bid to be allocated for the combination. The combination shall only be allocated if the highest bid to be allocated for the combination is higher than the total amount of the highest bids to be allocated for the separate lots.

5.4 Bids can be placed in the form of a "static bid" or a "auto bid". In a static bid, the user places a bid in the form of a fixed amount for each lot. In an automatic bid, the user states which maximum price he is willing to pay for a lot. The auction system ensures that, after an overbid by a third party, the minimally higher bid is immediately placed on behalf of the user, as long as the maximum amount indicated by the user is not exceeded. The user can only cancel an automatic bid in the interim by placing a static bid that is the highest bid at that time.

5.5 The purchase agreement is created by allocation. Allocation is usually to the user who placed the highest bid. By applying the stipulations in article 5.1, pursuant to the award conditions in the Specific Auction Terms and Conditions or for other reasons, to the discretion of Troostwijk, the lot can instead be allocated to another user than the user who placed the highest bid to be allocated.

If the user does not receive an e-mail within this term, this means that his bid has not been allocated. Troostwijk is entitled not to allocate or to allocated under suspensive conditions / a suspensive condition.

5.7 Troostwijk is not a party to the purchase agreement, but only brokers in creating purchase agreements. If there is a forced sale, this shall be stated in the Specific Auction Terms and Conditions or on the auction page on the website.

5.9 If the auction takes place "before a civil-law notary or a court bailiff", this official shall supervise the auction and the bids and allocations in the auction.

5.10 If it concerns a non-public auction, the Buyer who is a private individual not acting as a professional or business man has the right to terminate

the agreement without giving any reason within 14 days from the date the purchases have come into his possession To exercise this right of withdrawal Troostwijk must be informed of the decision in order to terminate the agreement by receiving a written declaration by the buyer.

5.11 If the buyer applies for the right of withdrawal, Troostwijk will charge the buyer an amount of €25 administration fee for each returned lot. The buyer also bears all costs associated with the returning the goods purchases.

The capacities of the items to be delivered can derive no claims or rights from the aforementioned descriptions, samples, models, examples or other information. Troostwijk is entitled to correct inaccuracies in the verbal or written statements made by Troostwijk or on its behalf, and to correct any errors (during the auction or otherwise), without the purchaser deriving any rights from this. Troostwijk is not liable for any possible inaccuracies or incompleteness in the description of the items. The purchaser is not entitled to withdraw a bid, respectively terminate the purchase agreement, if it is shown that the item does not comply with the description thereof. Article 7:19 of the Civil Code of The Netherlands shall apply accordingly.

7.3 The purchaser – respectively the carrier engaged by the purchaser – is obliged to properly investigate the purchased items on purchase, as described further in article 10 of these Terms and Conditions. Troostwijk can determine that a certain lot/certain lots can only be picked up after the purchase of other lots.

10.2 The purchaser himself is responsible for the correct and timely purchase of the purchased items. Troostwijk is responsible for the organization and coordination of the time of purchase of the items sold by the client.

10.3 If the purchaser refuses the purchase or fails to provide information or instructions required for the purchase, respectively has paid the purchase price, but has not collected the purchased items at the time and on the date determined by Troostwijk, Troostwijk will be authorized to store the purchased item(s) for the risk of the purchaser, such for a period of up to one month or a shorter period as communicated by Troostwijk in writing to the purchaser. The above also applies if, after the conclusion of the purchase agreement, Troostwijk or the seller becomes aware of circumstances which give the seller and/or Troostwijk good reasons to fear that the purchaser will not fulfil its obligations, in the event of bankruptcy or suspension of payment of the purchaser, if Troostwijk has asked the purchaser to provide security for the fulfilment and this security is not provided or is insufficient, or if the purchaser is otherwise in default and fails to fulfil its obligations under the purchase agreement.
