3.2 Troostwijk reserves the right to cancel an Auction, to terminate an Auction earlier than reported on the Website or to extend an Auction. www.TroostwijkAuctions.com

3.3 The User states by his Registration that he is familiar with and agrees with the special circumstances of an internet auction and with the technical imperfections that can arise. Troostwijk denies any liability for whatever damage that may arise in any way, directly or indirectly, including but not limited to the damage arising from the User's use of the Website, unless there has been deliberate or conscious negligence by Troostwijk. More particularly, Troostwijk accepts no liability for any damage whatsoever that arises in any way by or from:

- (vii) actions by the Seller after the User has concluded a Purchase Agreement with the Seller.

Article 4. Organization of the Auction

- 4.1 The organization, preparation and carrying out of the Auction is to be done by Troostwijk.
- 4.2 Without having to give any reason, Troostwijk has the authority before or during the Auction:
- (i) not to recognize a Bid as such;
 - (ii) to exclude one or several Users from the Auction;
 - (iii) to collect objects into Lots, to split Lots or to remove Lots from the auction;
 - (iv) to repair mistakes made by Troostwijk in offers and/or allocations, without the User being able to make use of these errors and/or derive any rights from them;
 - (v) to take other measures that are, in its judgment, necessary.
- 4.3 Troostwijk has the authority to set as a condition for participation in certain Auctions and/or bids on certain Lots that a User provides a bank guarantee or other form of security (such as a performance bond) beforehand to the satisfaction of Troostwijk.
- 4.4 The judgment of Troostwijk concerning that which has occurred during the Auction is binding.

Article 5. Bids; Purchase Agreement

- 5.1 The User can place a Bid on the Website on one or several Lots. Every bid is unconditional, irrevocable and without reservation. Troostwijk and/or the Seller are entitled to reject bids without giving any reason. Bids are placed exclusive of Mark-Up and V.A.T, which shall be added to the Hammer Price and payable by the Purchaser as part of the Purchase Sum. Troostwijk and the seller are authorized to place bids on behalf of third parties.
- 5.2 If a Lot is also brought to auction together with one or several other Lots as a combination, this will be reported on the individual page of the Lot. In that case, bids can be placed first on the individual Lots of the combination and after the closing of all individual Lots, bids can be placed on the combined Lot. Individual Lots can be Allocated only if the total amount of the highest sustainable bids on the individual lots is higher than the highest sustainable bid on the combination. The combination will be Allocated solely if the highest sustainable bid on the combination is higher than the total amount of the highest sustainable bids on the individual Lots.
- 5.3 Bids can be placed in the form of a 'static bid' or 'proxy bid.' In a static bid, the User places a bid in the form of a fixed amount per Lot. In a proxy bid the User indicates the maximum price he is prepared to pay for the Lot. The auction system sees to it that, after outbidding by a third party, the minimally possible higher bid is introduced in the name of the User, as long as the maximum indicated by the User has not been reached. A proxy bid can be eliminated by the User solely by placing a static bid that at that moment is the highest bid.
- 5.4 The Purchase Agreement arises through Allocation. Allocation is generally given to the User who has made the highest Bid. By applying article 5.1, through conditions for Allocation as included in the Specific Terms and Conditions of the Online Auction or for other reasons at the discretion of Troostwijk, a Lot can be Allocated to a different User who has placed the highest sustainable Bid.
- 5.5 The User receives confirmation within 6 days after the Auction has closed (not including Saturdays, Sundays and holidays) by e-mail on behalf of the Seller(s) that the Purchase Agreement has been made. If the User does not receive any e-mail within the period mentioned above, this means that his Bid has not been accepted.
