Collection details	The Buyer is responsible for the complete dismantling, loading and transport of the purchased items themselves. The auctioneer does not accept any liability unless otherwise stated. Pickup shall take place solely on the specified date and at the specified time and address. At pickup, please provide evidence that you are authorised to pick up the items and that you are authorised to represent the Buyer, if applicable.
Information VAT	Buyers from Austria must pay VAT. EU buyers that provide their VAT number do not have to pay VAT. If a buyer does not provide a VAT number or provides a false VAT number, we must charge the Austrian VAT. This amount will then not be reimbursed. Buyers from third countries must pay VAT as a security. Upon receipt of the original properly stamped and valid customs documents verifying the export of the purchased items, you will be reimbursed for this VAT.
Payment	Use the Pay button under the My Purchases overview in your account to easily pay this invoice. Please pay as quickly as possible, but in any case within 48 hours. Your purchase can only be collected when the full amount has been paid.
Prolongation	If a bid is made in the last 2 minutes before the lot closes, the closing time of that lot will be extended with 2 minutes until no bids are made.
Combination	All lots in a job lot are auctioned individually at first. The total sum of the bids is then increased by 5%. This is the starting bid for the job lot. If a bid is placed on the job lot, the individual bids are superseded. If no bid is placed on the job lot, the individual bids apply.
Tracking lots	After registering and logging in to the website https://www.troostwijkauctions.com , it is possible to track up to 100 lots per user and auction using the 'My Troostwijk' feature.
Conditional Acceptance	In selected auctions, lots are auctioned conditionally or reserve prices are set. After the auction, the consignor is informed of the highest bid. The consignor then decides whether the lots are sold for the prices offered. Each bidder is informed whether the bid has actually been accepted within 10 working days of the end of the online auction. During that time, the Bidder is bound to the bid. If a lot is auctioned conditionally or if you have not met a reserve price, this is noted underneath the starting bid.
Lot descriptions	The details concerning quantity, capacity, dimensions and weight are provided for information purposes only. They do not give rise to any legal rights. While the

information does come from sources which are considered reliable, the sellers and Troostwijk do not give any guarantee, explicitly or implicitly, of the accuracy of the information. It is expressly pointed out, that no complete inventory check and verification of the functional capability of the auction items are carried out. Therefore, there is still a possibility that there are significant defects. The auctioneer does not take any warranty for quality, condition, completeness, accessories, special characteristics, open or hidden defects and other damages or for the correctness of the description. Bidders are strongly recommended to take advantage of the opportunity provided to them to inspect the items for sale before placing any bids. Vehicles do not have a valid inspection sticker (Pickerl) according to §57a KFG, unless this is mentioned otherwise. Trips to officials must be taken over by the buyer. Computers & laptops are sold without any drive, unless this is explicitly mentioned.
