Attention, please!

This invoice issued by Troostwijk Romania, acts only as a confirmation of payment and not as a fiscal invoice. The final fiscal invoice will be issued by the seller after the collection of the lots.

Use the Pay button under the [My Purchases](#) overview in your account to easily pay this invoice. Please pay as quickly as possible, but in any case within 48 hours. Your purchase can only be collected when the full amount has been paid.

Please note that this is an ascending auction sale, preceded by a viewing day. Placing a bid without viewing the equipment is at one's own risk. Please see articles 3 and 6 of the General Conditions.

The buyer is fully responsible for the dismantling, loading and transportation of the bought lots. Troostwijk Auctions BV cannot accept any responsibility unless indicated otherwise. The delivery (pick-up bought lots) will only take place on the mentioned delivery date/time and address.

Buyers from Romania have to pay the VAT. All buyers outside Romania, will pay the Romanian VAT as a deposit until export proof is presented with the official stamp. After said proof is presented, the VAT deposit will be refunded to you. This rule applies for lots 1 to 29. Foreign buyers from countries not belonging to the European Community have to pay the legal Romanian VAT as deposit to the auctioneer. After receipt of the original customs documents, which must be stamped officially to prove that the export has taken place, the auctioneer will refund the paid Romanian VAT.

The general terms and conditions of the online sale may be applied to (possible) purchases of moveable assets. Furthermore, each auction has its own specific terms and conditions.

If a bid is made in the last 5 minutes before the lot closes, the closing time of that lot will be extended with 5 minutes until no bids are made.

All lots in a combination will be sold individually first. After the last lot is sold, the total of bids is raised with 10%. This is the starting bid of the combination. If the combination is sold it overrules the individual bids. Otherwise, the individual bids are applicable.

All lots without any bid will stay open until half an hour after the last closing time bid.

After registration and login, lots can be 'followed' via 'My Troostwijk'.
