The equipment will be loaded to buyer's transport free of charge, this service covers dismantling and loading to the buyers' transport only. It is the buyer's responsibility for ensuring that the transport sent to the site is adequate for the equipment purchased and it is the absolute responsibility of the transporter(s) to adequately

purchaser and has the special responsibility of the transporter(s) to adequately secure the loaded equipment for road transport.

In order that the goods can be loaded in an orderly fashion, collection must be made by appointment with the site contact and not with Troostwijk. We will supply contact details for the site to all buyers after payment has been received.

It is essential that transport is at the site for loading at the time agreed. If transport is not present at the time agreed, additional costs will be incurred or loading may not be available

>DISMANTLING & LOADING CHARGE The contract for the lifting and loading service is between The Contractor and the buyer. Troostwijk Auctions act only as a collection agent for the charge. Any claim for damage or short fall as a consequence of dismantling and loading should be directed to the contractor".>

General Terms and Conditions of Sale

The general terms and conditions of online auctions are applicable concerning the (possible) purchase of moveable assets in addition to these specific terms and conditions. In the event of a contradiction between the general terms and conditions of online auctions and these specific terms and conditions of online auctions, then these specific terms and conditions of online auctions shall prevail.

Following Lots Combinations

After registration and log in, lots can be "followed" via "My Troostwijk".

All lots in a combination will be sold individually first. After the last lot is sold, the total of the bids is raised by 5%. This is the starting bid for the combination. If the combination is sold it overrules the individual bids, if not the individual bids are confirmed.

Prolongation

If a bid is made in the last 2 mins before the lot closes then the closing time will be extended by 2 mins. With each subsequent bid the closing time will be extended by 2 mins until no further bids are made.

Lots Without Bid

All lots without a bid will stay open for a further 10 mins after the posted closing time

Quantity, capacity, dimensions and weight of goods

Where a lot description contains details of quantities, capacities, dimensions or weights of the goods, these data are indicative only and no rights can be derived from this information. Bidders must satisfy themselves as to the accuracy of such data. Although the information contained herein was obtained from resources deemed reliable, the seller and Troostwijk make no warranty, expressed or implied as to the accuracy of the information.

Subject to allocation

Certain lots / combination lots may be offered "subject to allocation". This is noted in the bidding information for each affected lot. Where lots are offered "subject to allocation" the seller reserves the right to accept or reject the highest bid. The bidders will be notified within 48 hours of the auction closing.

ReservePrices

Certain lots / combination lots may be offered subject to reserve or minimum prices. This is noted in the bidding information for each affected lot. Where the auction closes for a lot where it is noted "Reserve not met" the seller's minimum price has not been reached but the seller reserves the right to accept or reject the highest bid. The bidders will be notified within 48 hours of the auction closing.

Attending an auction closure for Consumers

This is a public auction. This means that if you are bidding as a consumer you have the opportunity to attend the closure of the online auction at our offices: Troostwijk Auctions LTD, Unit 1 Sterling Centre Eastern Road Bracknell. You need to be registered on our website if you want to attend the auction closure. Before attending the auction closing, you must inform us no later than 3 working days before the closure by sending an email to the following address: info@troostwijkauctions.co.uk stating the auction number and your buyer number (account ID). You will then receive a written confirmation from us.

CE Mark

Please note: Troostwijk will indicate in the LOT description if an asset is CE marked and the origin of the asset. Any asset where this is not indicated in the LOT

and the origin of the goods. Any goods where this is not indicated in the EC description then evidence of CE mark and/or origin is not clear, and we will be unable to provide proof. A product being CE marked does not guarantee Certificates of conformity are provided. It is the Bidders responsibility to check what is needed by their customs prior to bidding. Note. Only original manufacturers can issue Certificates of Conformity, unless we have indicated these are with the machine then in the event that Certificates or manuals are required then the responsibility is with the buyer to source replacement certificates from the manufacturer.
