Conditional Acceptance	In selected auctions, lots are auctioned conditionally or reserve prices are set. After the auction, the consignor is informed of the highest bid. The consignor then decides whether the lots are sold for the prices offered. Each bidder is informed whether the bid has actually been accepted within 10 working days of the end of the online auction. During that time, the Bidder is bound to the bid. If a lot is auctioned

conditionally or if you have not met a reserve price, this is noted underneath the starting bid.
